SECTION – I

1.0. BACKGROUND

Established in 1963, MMTC is today India's leading international trading company. It is the first international trading company of India to be given the coveted status of "SUPER STAR TRADING HOUSE" and it is the first Public Sector Enterprise to be accorded the status of "GOLDEN SUPER STAR TRADING HOUSE" for long standing contribution to exports. MMTC is the largest non-oil importer in India. MMTC's diverse trade activities encompass Third Country Trade, Joint Ventures, Link Deals & all modern day tools of international trading. Its vast international trade network, which includes a wholly owned international subsidiary in Singapore, spans more than 85 countries in Asia, Europe, Africa, Oceania and Americas, giving MMTC global market coverage.

Wide Area Network has been built up connecting the various regional offices across the country through leased lines/SSLVPN. MMTC has implemented e.Application ERP solution from M/s Ramco Systems, which is a centralized solution with Application and data server at the central office. CITRIX thin client solution has been implemented to enhance the application response and provide a centralized computing architecture. The ERP solution implemented uses client server architecture. The operation of ERP is done through these channels. The networking environment has been secured through installation and configuration of the Security Software, the system is in operation for the last ten years.
